## AppleCare

The only essential accessory.

Help us help you with the AppleCare Protection Plan which triples your computer warranty. Fully covering hardware failure for three years and providing free phone support through Apple, AppleCare is a no-brainer. Not only are parts that need to be replaced covered by Apple but your repair is streamlined-- meaning less calls, no money transactions and full service from the MacHaus.

13" Models \$249  
15" / 17" Models \$349

## iWork '09

The Microsoft Office killer.

One of the first questions we are asked when selling a Mac is, 'Can I get Office for this computer?' Truth be told, we would sooner sell you Apple's iWork '08 suite for \$70 less that does everything Office can do-- just prettier, more efficiently, and overall-- better. With the ability to export to Windows formats, iWork '08 is a complete replacement for Office.

\$79

## Time Capsule

Have you ever lost your data?

If so, you know how vulnerable you feel when you don't have a recent backup of your hard drive. Time Capsule solves that problem! Designed by Apple to work seamlessly with Time Machine, the Time Capsule is a wireless router *and* backup drive combined in one little box. Once you set it up, all the computers on your network can automatically back up their data on regular intervals without any hassle or cables.
